# Etili Seramik

Etili Seramik Ins. San. Tic. A.S. is established in the year 2006 to produce ceramic wall and floor tiles. The factory is located in Etili which is in Çan district of Çanakkale city of Turkey.

The company has started to produce porcelain floor tiles in 2007 with the annual capacity of 2.000.000 sqm.
Completing the investment of wall tile and decor factories in the year 2012, the annual capacity has reached to 7.000.000 sqm.

The factory has totally 260.000 sqm of area and the factory buildings covers 35.000 sqm.

Combining selected raw materials, latest technology and qualified man power, we achieve to our goal of producing high quality ceramic tiles according to EN 14411 standarts. Thanks to latest digital printing technology, we can obtain high definition printing which is very close to natural look.

In all the process steps, both the quality and saving the nature is our first priority. The process water is recycled and reused completely and never discharged to the environment. The domestic waste water is discharged after being processed in waste water treatment plant. All the rejected tiles are crashed, ground and reused. The packing materials used are all recyclable. The dedusting systems used supply with clean working environment.
To reduce carbon emission, we recover gas and reuse hot air from chimneys.

Ceramic tiles produced in different sizes and various designs and colors are presented to customers in all over the world by means of wholesalers and dealers.

The company exports significant amount of its production around 30 countries and mainly to Europe. Thanks to good quality of product and service, Etili Seramik always improves its position in the global market.

Etili Seramik always follows technological improvements and gives importance to human resources.

Etili Seramik supplies  its region with economical and social benefits.

Etili Seramik is a company, which holds total quality managment system and improves productivity and competition power.

# Etili Seramik

Etili Seramik İnş. San. ve Tic. A.Ş 2006 yılı Ağustos ayında Çanakkale, Çan ilçesi, Etili Köyü'nde seramik yer ve duvar karoları üretmek üzere kurulmuştur.

2007 yılında yıllık 2.000.000 $m^2$ kapasiteyle porselen yer karosu üretimine başlamıştır. 2012 yılında duvar karosu ve bordür, dekor fabrikalarının kurulmasıyla birlikte toplam 7 milyon $m^2$/yıl kapasiteye ulaşılmıştır.

Fabrika binası 35.000 $m^2$'si kapalı olmak üzere toplam 260.000 $m^2$ arazi üzerinde kurulmuştur.

İyi seçilmiş hammaddeler en son teknoloji makineler kullanılarak, tecrübeli iş gücüyle işlenerek en iyi kalitede seramikler üretilmektedir. Kullanılan dijital baskı teknolojisi sayesinde doğala yakın bir görüntü kalitesine ulaşılabilmektedir.

Üretim aşamalarında hem kalite hem de çevreye saygı ve duyarlılık başta gelen önceliğimizdir. Üretim aşamalarında kullanılan suyun tamamı geri dönüştürülerek yine üretim aşamalarında tekrar kullanılmakta ve çevreye atık su olarak verilmemektedir. Fabrikada ortaya çıkan evsel atık sular ise arıtma tesisinde işlemden geçirilerek doğaya verilmektedir.Karbon emisyonunu azaltmak amacıyla sıcak baca gazlarının enerjisi geri kazanılarak işletmede tekrar kullanılmaktadır.

Üretim sırasında açığa çıkan satılamaz nitelikteki ürünler, kırılıp öğütülerek hammadde olarak tekrar kullanılmaktadır. Toz tutma filtreleri yardımıyla temiz bir çalışma ortamı sağlanmaktadır. Kullandığımız ambalaj malzemeleri de çözüm ortaklarımız aracılığı ile toplanarak tekrar geri dönüşüme kazandırılmaktadır.

Farklı müşterilerin zevklerine uygun desen ve renklerde, muhtelif ebatlarda üretilen ürünler yurtiçi ve yurtdışında bayiler kanalı ile nihai kullanıcılara ulaştırılmaktadır.

Üretiminin önemli bir kısmını ihraç eden firmamız yaklaşık otuz ülkede ürünlerini kullanıcıların beğenisine sunmaktadır. Başta Avrupa ülkeleri olmak üzere dünyanın birçok yerinde ürün ve hizmet kalitesi sayesinde pazarını sürekli geliştirmektedir.

Etili Seramik küresel rekabet koşullarına uyum sağlamak amacıyla her geçen gün üretim teknolojisini yenilemekte ve personelini sürekli olarak eğitmektedir.

Etili Seramik kurulu olduğu bölgeye sağladığı doğrudan ve dolaylı ekonomik katkıların yanı sıra sosyal sorumluluk projelerine de katkılar sağlamaktadır.

Etili Seramik tüm bileşenleriyle toplam kalite anlayışını benimsemiş yerelde ve küresel alanda rekabet ve verimlilik kültürüyle sektöründe ismini duyurmuş ve duyurmaya devam etmekte olan bir kuruluştur.
