## N A R

Duxxa markamızın çift renk uygulamasını sağlayan EIFFEL serisi artık çok pratik. 9 farklı renk alternatifi bulunan serimizde daha önce her bir renk için ayrı kod tanımlanmıştı.

Yeni renk uygulmamız sayesinde sadece ana gövde renkleri olan Krom - Altın - Titan için kod tanımlanacaktır. Diğer renk bilezikleri kutunun içinde fazladan bulunacaktır. Örneğin; Krom olarak sipariş verdiğiniz bir üründe krom bilezik gövde üzerinde montajlı; Altın ve Titan renkleri ise kutunun içinde ilave olarak gönderilecektir. Böylece sizin stok maliyetiniz düşerken, ürün bulunurluğu ve renk seçenekleri sayesinde müşteri memnuniyeti artacaktır.

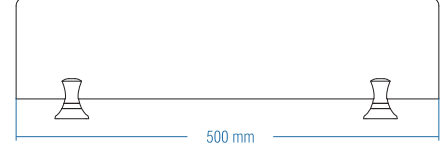

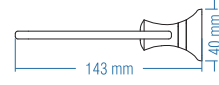

Beraber yeniliklerin öncüsü olmaya devam edeceğiz.
